

A CALL TO ARMS

The Post Prom Decorating/Building Committee has completed its work and is ready to roll into the school. We are asking all parents to chip in to assist in moving and setting up all the pieces (the wooden structures, awnings, large panels, decorations, curtains, fabric, plants and much, much more) to the school to transform the building into POST PROM!

Specifically, we are looking for at least 50 able-bodied parents who can wield screw guns and tools and move the heavier structures. We've arranged for large transport vehicles but we need your help to transfer all the materials from the two barns to the school.

We then need a steady flow of parents (to keep the number of volunteers, at any time, to about 100) to assemble, staple, drape, fluff, arrange, sort (you get the idea) all the materials as they are delivered to the school. This is truly a group effort and requires as many parents as possible.

The times are as follows:

THURSDAY, 5/24 3:00 p.m. to 10:30 p.m. (7.5 hours)

FRIDAY, 5/25 6:30 a.m. to 3:00 p.m. (8.5 hours)

Please report to the Middle School for any portion of time you have available. Trucks will be rolling into the parking lot at 3:00 p.m. to unload.

Thank you in advance for your support.
